

# Appleton North Theatre Improvement Fund

## About Appleton North Theatre and the Campaign

Since its opening in 1995, the Appleton North High School auditorium has been home to many amazing theatrical productions, musical concerts, guest speakers, and community gatherings. Over time, many of its technical elements and equipment have developed the need for repair or replacement.

Our goal of raising \$150,000 will go a long way to ensure that one of the most popular and celebrated performance spaces in our area will continue to serve our students and community far into the future!
